

# Dejepisné projekty

## III. OG

Počas posledných letných dní v škole dostali žiaci III. OG na hodine dejepisu za úlohu vytvoriť pútavý projekt so spoločnou historickou témou pre dievčatá a zvlášť pre chlapcov. Aby sa úplne nezabudlo na aktivity žien v našich dejinách, hlavnou témou projektov pre dievčatá boli Ženské osobnosti spolku Živena. Zároveň pre prehĺbenie poznatkov z regionálnych dejín sa mali chlapci popasovať s témou Dejiny priemyslu v mojom okolí. Žiaci pracovali na projektoch vo dvojiciach s ľubovoľným výberom ženskej osobnosti u dievčat a konkrétneho podniku u chlapcov. Svoje originálne projekty prezentovali pred ostatnými spolužiakmi, ktorých osudy slovenských žien či história podnikov z Nitry a okolia veľmi zaujali, čo bolo vidieť i v záverečných diskusiách. Pre všetkých prítomných znamenala výroba projektov nielen zisk známky, ale aj vlastné obohatenie sa o nové vedomosti z našej histórie.

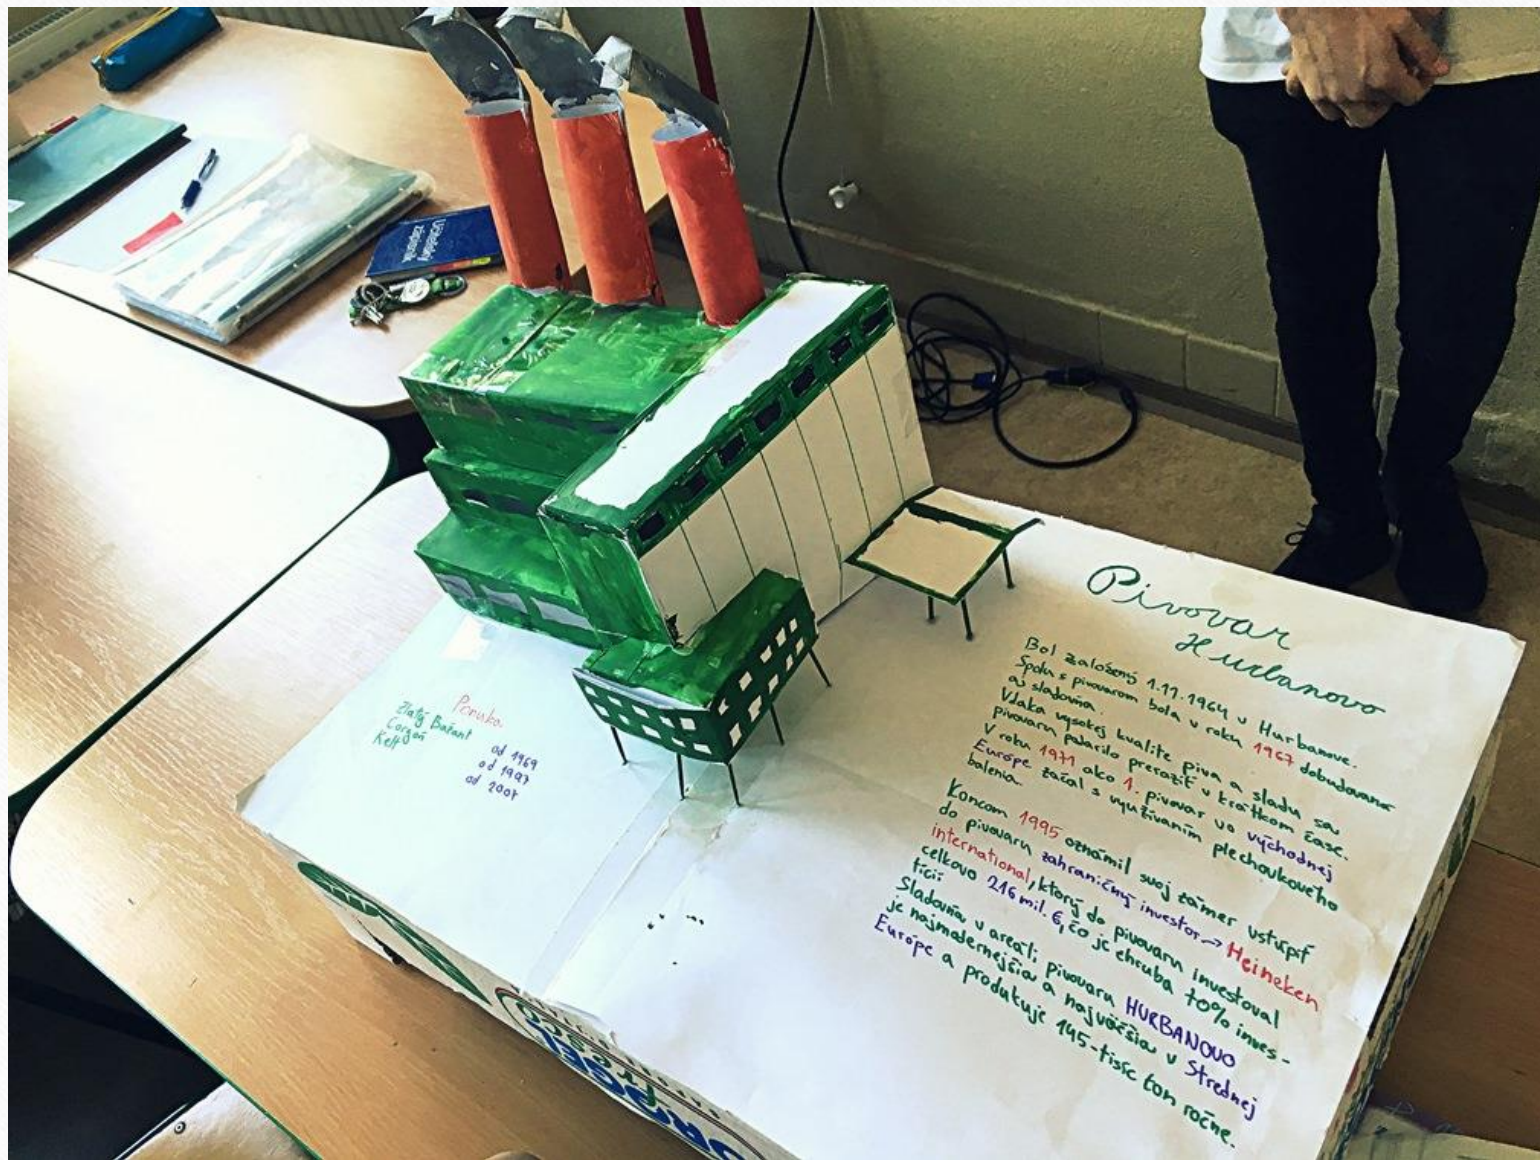

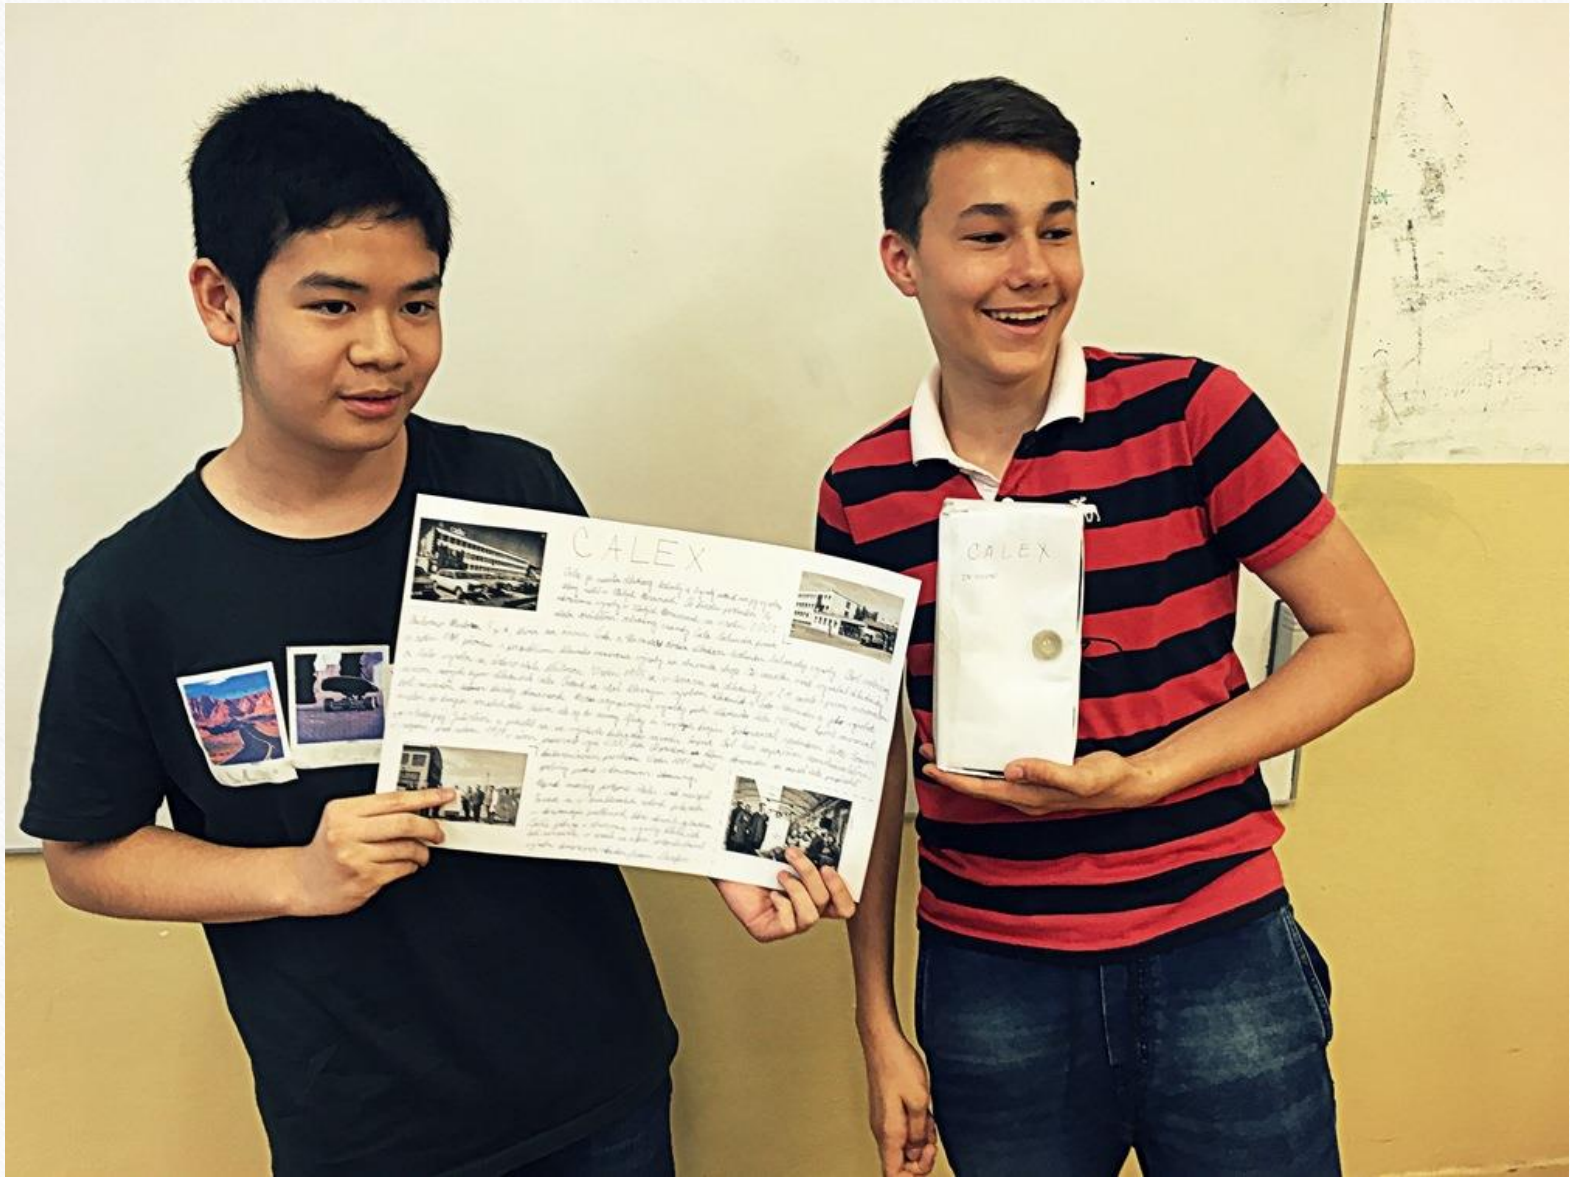

# ANNA PIVKOVÁ

Anna Pivková (1871-1948) was a Czech writer and journalist. She is known for her novels and short stories, which often dealt with social and political issues. Her work was influenced by the realist movement and the ideas of the time.

Anna Pivková's writing was characterized by its realism and social critique. She often depicted the lives of ordinary people and the challenges they faced in a rapidly changing society. Her work remains an important part of Czech literary history.

Anna Pivková's legacy is preserved in various literary collections and archives. Her works continue to be studied and appreciated for their historical and cultural significance. She is remembered as a pioneering female writer in the Czech Republic.

Anna Pivková's influence on Czech literature is significant. Her realistic portrayal of society and her focus on social issues paved the way for other writers of the time. Her work is a testament to the power of literature to reflect and critique the world around us.
